ABOUT THE PARTNERSHIP

As fellow champions of hands-on learning, igniting young imaginations and nurturing the next generation of hobbyists, Airfix is thrilled to announce a partnership with the Scouts.

This collaboration extends our commitment beyond seasoned modellers, reaching out to the bright young minds of the Cubs. We believe that the joy of crafting, the thrill of exploration, and the satisfaction of seeing one's own creation come to life are values that resonate deeply with both Airfix and the Scouts.

Through this partnership, we aim to offer a tangible experience that goes beyond screens, promoting teamwork, fine motor skills, and a love for hands-on learning.

Together with the Scouts, we embark on a mission to shape young minds and create lasting memories, solidifying the foundation for a future where imagination knows no bounds.
